18 - 19 APRIL 2024 • MADINAT JUMEIRAH

EVENT REPORT

This was TOKEN2049 Dubai

TOKEN2049 saw record-breaking success for its inaugural Dubai conference, which took place from 18-19 April 2024.

Tickets sold out nearly three weeks prior to the event, showcasing the growing reputation of Dubai as a hub for crypto innovation.

Despite the UAE's heaviest rainfall in 75 years, the conference opened to a full-house, with 10,000 attendees from over 160 countries. Amidst a range of groundbreaking announcements, TOKEN2049 radiated positive energy to the world, acting as the crypto industry's point of convergence.

TOKEN2049 and the Colorful World of Cryptocurrencies

Synopsis

Tether issues a stablecoin, also called Tether or USDT, which is designed to maintain a constant value of \$1 and is widely used in crypto-to-crypto trading. It has grown rapidly in recent years, hitting more than \$100 billion worth of Tether tokens in circulation in March.

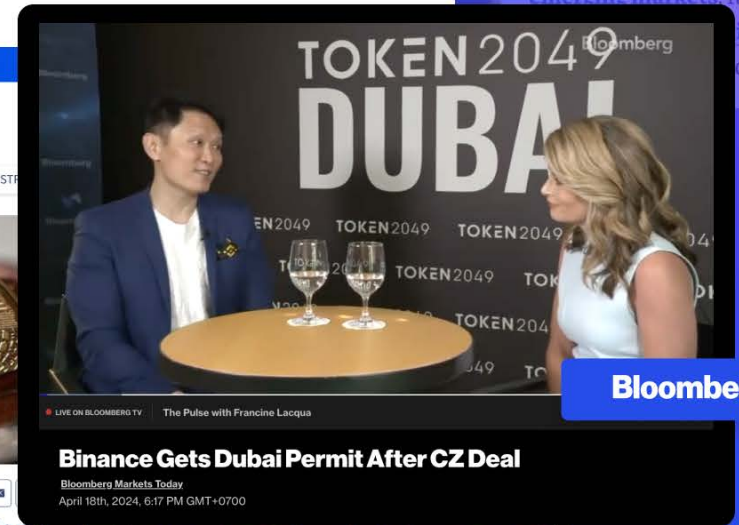

Stablecoin Tether's recent growth is being driven by its use as an alternative to the U.S. dollar in emerging markets, rather than by demand for cryptocurrency trading, Tether CEO Paolo Ardoino told Reuters on Friday.
